Foster Homes

Street Cats is always looking for loving foster homes that can provide a nurturing environment for abandoned or neglected animals. Foster homes provide a temporary home until a "forever home" is found.

Fostering is an integral part of preparing the animals for adoption. It helps us learn about the cats behaviour, what the cat likes, dislikes and more so we can find them their perfect "forever home".

Please contact us if you would like more information on becoming a Foster Home.

About Us...

The Street Cats Rescue is a no-kill organization providing love and shelter to abandoned, lost, impounded or rescued animals in the communities of Barrie, Innisfil, Georgina and surrounding area.

Street Cats is a “grass roots” organization founded in 2002 and is 100% staffed by volunteers. We are a non-profit, registered charity who rely on donations from the local community to carry out our work. We are a group of professional people who are passionate about animal welfare. We primarily rescue cats, but we do rescue dogs and horses as well.

What We Do...

Street Cats Rescue is dedicated to providing temporary homes to abused, lost, abandoned and impounded animals. We provide appropriate vet care for our rescues. We provide lots of love and attention to our little angels they are ready for their loving “forever homes”.

We have a NO-KILL policy. Euthanasia is only used when an animal is critically ill or severely injured.

Adoption...

Our little angels can be adopted from our Foster Homes or from Petsmart (we share the space with other rescue groups so call to find out what dates we will be there):

Petsmart:
33 Mapleview Drive East, Barrie, ON
(705) 722 0337

All of our pets are checked by a vet before adoption. If the animal is still too young to be spade or neutered when adopted, we provide a discount voucher to assist the new owners in being "responsible pet owners".
